

Welcome

The staff and students of Richmond State School pride themselves on the quality of teaching and learning that takes place on a daily basis. Our school was established over 100 years ago and has continued to develop and grow to meet the changing needs of the students, the community and staff. The school itself welcomes students between prep right through to year 10 and incorporates a wide range of specialist teachers, up to date resources and facilities and diverse subjects.

Richmond State School is isolated both culturally and geographically and caters for students from prep to Year 10 with 11 full-time and 3 part-time school teachers. The school has a current enrolment of approximately 130 students.
