

# Investing for Success

**Under this agreement for 2017  
Richmond State School will receive**

**\$37,900\***

## This funding will be used to

- Increase the percentage of students achieving a C standard or above in English to > 85%
- Improve the NAPLAN mean scale score relative gain of students in year 5 to be similar or higher than state schooling peers
- Increase the percentage of students in Prep, Year 1 and 2 that are above reading regression analysis targets to >85%

## Our initiatives include

- Implementing the Four Lesson Sequence in the two lower primary classrooms, including the instructional coaching cycle, to improve student reading outcomes
- Engaging with the Mt Isa Learning HUB to develop teacher capability through collaborative inquiry and the instructional coaching cycle
- Developing networks with other schools through visiting demonstration classrooms and engaging in moderation to build teacher capability and ensure rigorous level of achievement data
- Provide parent education to support the development of early literacy skills, including understanding phonological and phonemic awareness, the importance of oral language and developing childrens vocabulary

## Our school will improve student outcomes by

- |  |          |
|--|----------|
| • Employing 0.40 Support Teacher – Quality Teaching and Learning                       | \$26 000 |
| • Purchasing additional Speech Language Pathologist allocation                         | \$4900   |
| • Allocating TRS to support collaborative inquiry and the instructional coaching cycle | \$4000   |
| • Allocating funds to support the learning of identified at risk students              | \$3000   |

**Kristine Mills**  
Principal  
Richmond State School

**Dr Jim Watterston**
